

GOT GOALS? GET CERP!

The Ohio Grocers Foundation can help you build your future with our Career Education Reimbursement Program (CERP). Are you interested in professional development through courses (college or other), seminars, or conferences? We may be able to help with CERP funds.

The CERP program is offered by the Ohio Grocers Foundation to provide financial support to individuals who wish to enhance skills, increase job knowledge, and further their careers in the food industry.

Eligibility:

Check with your store manager or your human resources department for CERP guidelines and application. Or visit the foundation website at www.ohiogrocersfoundation.org to download the information.

You may also contact the Foundation directly at 614/442-5511 ext.7190.
